AMALTHEA' 18

PRIZES WORTH ₹15,000

ABOUT:

ICon (Innovation Conference) Is an event which aims to bring together a group of prolific minds. By bringing together, we create a unique platform for participants to learn, exchange ideas and collaborate with experts.
The projects should be based on "Socially impacting scientific and technical stuff".
The participants will be allotted a time slot in which they would be expected to do a poster presentation of their scheme and demonstrate their idea. During this time, they need to showcase the significant points of their project and present it to the experts. This shall be followed by a short questionnaire by the experts. This program will be followed by an informal interaction between the participants and experts.

Conduct of the event:

Participants will be required to register for the event online, by submitting various information about their idea related to the topic. Participants will be required to do a poster presentation on the 21st October 2018, during which they shall be given time slots to interact with the experts. After all the teams have done their presentation, there shall be a lunch break during which the participants can interact with the experts.

Selection criteria:

Only selected teams will be allowed to do a poster presentation on the final day, and the selection criteria for the same will be as follows:
1. Participants are required to attach a document describing their idea in detail and email it to amalthea.icon18@gmail.com.
2. Participants can also submit a video/documentary to ICon regarding their project. (Optional)
3. The selected participants will be notified through email and are required to be ready with their final poster presentation by 21st October 2018.
