

AMALTHEA' 18

D 'CODE RULEBOOK

PRIZES WORTH ₹ 10,000

ABOUT THE CONTEST :

This is an event to test the algorithmic and programming skills of participants. Here are the details:

- Duration :- 3 Hrs
- Start : TBD
- End : TBD
- Type of Questions :
 - ⇒ There will be 5 questions.
 - ⇒ Each question has a point
- Platform : Codechef

ELIGIBILITY:

- All you need is a Codechef ID to participate in this contest.
- You need to register through the Amalthea Website to be eligible for winning exciting prizes.

RULES AND REGULATIONS:

- All participants are expected to abide by the standard Codechef Rules and Regulations **(have a look at the Codechef Code of Conduct)**
- There is NO participation fee.

JUDGING CRITERIA:

- There will be 5 questions.
- Each question has a point.
- For every wrong submission, there will be a penalty of 20 minutes, that is, 20 minutes will be added to your time taken for submission and this new value will be your total time. (For example, let us say that a participant A has one wrong submission. A completes and finally submits 2 hours 30 minutes after starting. Then, the total time of A will be 2 hours 50 minutes.)
- A ranking will be created based on the points scored. Someone with more points will be higher in the ranking than someone with less points.
- If two participants have the same number of points, then the total time is considered. The one with lesser total time will be higher in the ranking order.
